

# LEARN TO SAIL - YOUTH

AT THE

## NORTHWEST MARITIME CENTER

PORT TOWNSEND, WASHINGTON

## SUMMER 2009

### Beginner, Intermediate, Cruising and Racing!

*For 8-18 Year Olds!*

#### LEARN

New boats, US Sailing certified instructors, a year-round windy bay and a beautiful waterfront location at the Northwest Maritime Center dock combine to make our Learn to Sail Youth program one of the best in the region. Diverse, challenging waters and excellent instructors teach competent sailing for all conditions. The perfect place to introduce your child to sailing or take their skills to the next level.

#### HAVE FUN

Since the early 1990's, our Sailing Instructors have taught hundreds of people to sail on Port Townsend Bay. In 2006, NWMC and Jefferson Co. YMCA expanded the fleet to offer new Optimist Dinghies, the most popular learning dinghy in the world, and Vanguard 15's, two-person planning hull dinghies. These boats are safe, fast and fun!

#### CRUISING AND RACING

Both the "Cruising Camp" and "Speed Camp" give your child maximum time on the water - allowing your child to put their skills to test, by day tripping to destinations around Port Townsend Bay or learning to race around the course!

### ~2009 SCHEDULE ON BACK~
