

SCHOONER MARTHA

SAIL-TRAINING AND CHARTERS

NORTHWEST MARITIME CENTER

PORT TOWNSEND, WASHINGTON

Youth, Adult and Family Adventures in the San Juan Islands and Desolation Sound

TAKE THE HELM

Go sailing and learn on one of the most beautiful boats in the Northwest. Your experienced crew and teachers are Captain Robert D'Arcy and 1st Mate Holly who maintain, teach and voyage aboard Martha year round. Schooner Martha turns 102 years old this year - has been meticulously preserved and is a race-car in a steady breeze. This is truly a voyage you or your child will never forget.

CHART YOUR COURSE

Onboard, you'll be an integral part of the crew, from listening to the morning weather report and planning the day's destination, to hoisting sails and taking the helm. No more than six guests are onboard the Martha at a time, so you'll have plenty of space to relax around the large main saloon table or in the large and comfortable cockpit. Having only 6 also means you receive maximum attention from the crew for lessons and safety. Early lights out and rising times allow for the guests to get plenty of rest for the active, full days.

Owned by the Schooner Martha Foundation and **built in 1907** at the famous W.F. Stone Boat Yard in San Francisco, Martha is an **84-foot B.B. Crowninshield staysail schooner** fully equipped for cruising Northwest waters, and is as picturesque as they come.
